

## Hex Beam Installation June 11, 2023

Members raised and installed a hex beam on top of the WAS North Tower in preparation for Field Day 2023 and replaced the 4BTV that was there. This included a 20 ft section of tower and a rotor. Members who helped are David KB1LTW, Sam W1SMF, Jeff KB1LZ, Mike K1MJM, Dan N3DAW and GNARC member Steve K1RF.
