

SATURDAY MORNING Hob Nob - to Confer, Converse and Otherwise Hob-Nob

On Saturday October 5, 2024 a few of us went to WAS after breakfast at the Southport Diner to operate a little bit and to confer, converse and otherwise hob-nob with our fellow ham operators. Attending were Sam W1SMF, Steve K1RF, Gary WE1M, Jim W1RAZ, Jim KC1RBG, Mike KA1EOU, Alex N1AK, Marilyn NU7T & Jeff KB1LZ. Mike brought his "Go Box" to get it running on FT8 and Gary WE1M brought an FT8 station.

SATURDAY MORNING AT WAS - Confer, Converse and Otherwise Hob-Nob

Everyone operated the FT8 station over the course of the day, Most left around 12 noon but Sam W1SMF and Gary WE1M stayed until about 3 pm. Mike KA1EOU was able to get some of his go box working but not all. Seems he was hampered by insufficient hardware to get his rig control working with his Yaesu. We will finish next time. We made about 65 contacts. Good work everyone!
