Larry and instructors meet pre-course to discuss Tech course schedule.

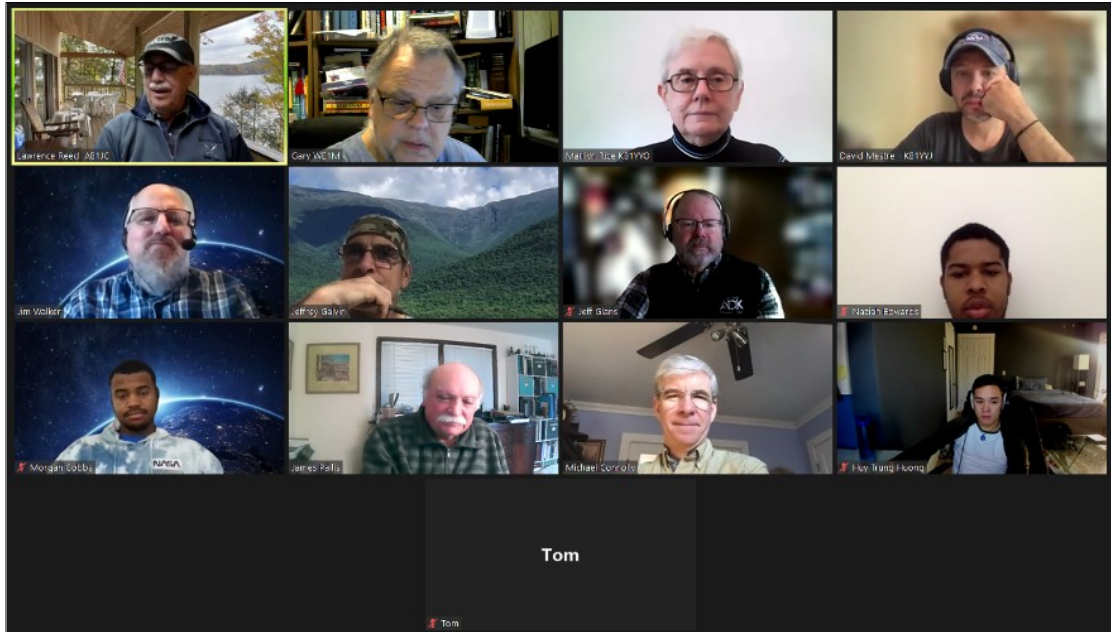

Pre-course meeting with Instructors and some students, Saturday Jan 29, 2022.

The Technician course began on Saturday February 5 via Zoom. 9 students attended the first session, which covered chapters 1 and 2. Instructors Marilyn KB1YYO, Larry AB1JC, David KB1YYJ and Gary WE1M attended and got the course off to a good

start. The session began with a general overview then Larry proceeded with Chapter one, "About Ham Radio". After the questions and answers for chapter 1, David taught chapter 2. All chapter slides were shown via shared Zoom screen. This worked out very well. *[The class is currently at 22 students -Editor]*

Larry AB1JC explains ham radio concepts to students while instructors Marilyn KB1YYO, Dave KB1YYJ and Gary WE1M look on.
